

Child Safe Code of Conduct

A Child Safe Code of Conduct lists behaviours that are acceptable and those that are unacceptable. It provides a high-level statement of professional boundaries, ethical behaviour and acceptable and unacceptable relationships. For more detailed guidance refer to the School's Staff and Student Professional Boundaries policy.

When individuals are clear about behavioural expectations, they are much more likely to act appropriately with each other and with children. When everyone is educated about the Code of Conduct and the reasons it is so important to uphold, the School environment becomes much more transparent and people are accountable for their behaviour. Above all, a Child Safe Code of Conduct helps to protect children from harm.

The Child Safe Code of Conduct applies to:

- all staff members, including non-teaching staff and temporary or casual staff
- Volunteers
- parents and carers
- Third Party Contractors
- External Education Providers
- the Board of Directors
- teaching students on placement at the School
- visitors

The Child Safe Code of Conduct set out below is designed to stand alone. It can also be incorporated in whole or part into broader codes of conduct that are developed by the School.

Certain staff members, Volunteers and Third Party Contractors at the School may have professional or occupational codes of conduct that regulate their profession or occupation. These codes of conduct must also be complied with. In the event that the staff member, Volunteer or Third Party Contractor considers that there is a conflict between these codes of conduct and the Child Safe Code of Conduct in a particular matter, the relevant staff member, Volunteer or Third Party Contractor must seek advice from their professional or occupational regulatory body and/or a Child Protection Officer, and must advise the Principal of their proposed course of action.

The Child Safe Code of Conduct is made available to all staff, Volunteers, families and students via our public website.

Our Child Safe Code of Conduct

This Child Safe Code of Conduct outlines appropriate standards of behaviour for all adults towards students. The Code serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the School environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations. Where a staff member breaches the Code, Goulburn Valley Grammar School may take disciplinary action, including in the case of serious breaches, summary dismissal. The School revises the Code annually.
